James McNeill Whistler an Evolution of Painting from the Old Masters: Identified By Two Missing Masterpieces Angelle M Vinet

The Complete Guide to Bed & Breakfasts, Inns & Guesthouses in the United States, Canada & Worldwide 2009

Whistler's Mother's Cook Book Anna Mathilda McNeill Whistler 1995
American painter James McNeill Whistler probably never expected the portrait of his mother that graces the cover of this book to become a cultural icon. Begun on a whim when another model failed to show up for a session, the painting, familiarly known simply as "Whistler's Mother," has become one of the best known and most beloved in the world and now hangs in the Musee d'Orsay in Paris. Nor, we can be sure, did Anna McNeill Whistler expect that her "cook book" would one day be published and thereby enjoyed by myriad readers beyond her own family. Irreverently referred to by her son as her "Bible," the manuscript book was kept faithfully by Mrs. Whistler of many years and contained recipes for such varied and delectable dishes as bread-and-butter pudding, "oysters," "mackroons," "whigs," quince marmalade, and pickled walnuts. Bequeathed by Whistler's sister-in-law, along with other books and letters from his estate, to the University of Glasgow, the manuscript has been edited for this publication by Margaret MacDonald, research fellow at the Centre for Whistler Studies at the university. MacDonald also provides a fascinating account of the Whistler household in the United States, Russia, and Britain, offering a rare and delightful glimpse into nineteenth-century family life. The recipes are both delicious and easy to prepare; just in reading them, one can sense the flavors and aromas of good home cooking. They are presented both in Mrs. Whistler's words-"To a pint of pulped apples add the juice of a Lemon and a little of the peel shred fine, 5 eggs and a gill of cream . . ."-and in terms more familiar to the modern cook. Where deciphering listed ingredients-such as rose-water, emptins, isinglass, or pearl ash-might otherwise prove perplexing, these terms are fully explained and their modern successors substituted. Among the illustrations in this new edition of Margaret MacDonald's 1979 classic are some of Whistler's most evocative drawings and prints of shopping, cooking, and dining, many in full color, as well as portraits of Whistler and his mother and pages from the original cook book.

The Life of James McNeill Whistler Elizabeth Robins Pennell 1908

Ski 1995-01

Vancouver, Victoria and Whistler Colourguide Gail Buente 2009-10-16
The 2010 Winter Olympics are giving Vancouver and Whistler great new and exciting facilities, venues and attractions. In this new edition, local authors highlight the new transportation facilities, museums and galleries, as well as what is best in shopping, dining and entertainment. Knowledgeable contributors explore Vancouver's distinctive neighbourhoods including the downtown, Gastown, Chinatown, Granville Island, Kitsilano, the North Shore, Commercial Drive, and the up-and-coming Yaletown area. This edition features the world-renowned Canadian resort municipality of Whistler, co-host of the 2010 Winter Olympics and the site for most of the alpine, Nordic and sliding events. The edition also provides updated information on the major tourist destinations of Victoria, the Gulf Islands, and the Sunshine Coast. An up-to-date listing section gives essential contact information for the best in nightlife, theatre, museums, attractions, recommended dining, as well as accommodation and tips on how to get around. New full-colour photography complements the text.

The Days I Knew Lillie Langtry 2000-09

Whistler's Way William Monk 2021-04-27
In Whistler's Way, Bill Monk's second and much-anticipated book, the intrepid 60 year-old tackles the wildly gorgeous Pacific Crest Trail, 2,653 miles from the Mexican border to British Columbia, from sea level to a nosebleed-inducing 13,153 feet, a truly life-changing trek. Bill brings readers along on his epic journey, describing every detail of five long months filled with breathtaking views, heart-stopping danger, and unrelenting adventure, testing his physical and mental stamina to the limit. Readers will be delighted that he is joined by his friend Scooby for the first couple of months. People who have hiked or plan on hiking the Pacific Crest Trail, lovers of nature, and those who want know what it's like to accomplish a seemingly insurmountable goal will relish this uplifting story, which paints a magnificent portrait of the outdoors and what it's like to fully immerse oneself in nature's glorious, awe-inspiring, and occasionally very challenging beauty.

Whistler As I Knew Him Mortimer Menpes 2009-09-13 For nearly a decade, Mortimer Menpes happily played as loyal and obedient follower to famed 19th-century artist James McNeil Whistler until abruptly, the relationship ended and barely a word passed between them again. Upon Whistler's death some twenty years later, Menpes reemerged to put to print this first-hand portrait of his former master; capturing Whistler's working methods, his daily routines, his interests, and his eccentricities.

Visual Information Systems International Conference on Visual Information Systems 1996 1997-09-29 This book is a thoroughly arranged anthology outlining the state of the art in the emerging area of visual informationsystems. The chapters presented are a selection of thoroughly refereed and revised full papers first presented at the First International Conference on visual Information Systems held in February 1996. Next generation information systems have a high visual content, and there will be a shift in emphasis from a paradigm of predominantly alphanumeric data processing to one of visual information processing. The book provides a detailed introductory chapter, two keynotes by leading authorities, sections on design and architecture, database management and modelling, contend-based search and retrieval, feature extraction and indexing, query model and interface, and object recognition and content organization.

Everywhere Arnold Henry Savage Landor 1924

Whistler T. Martin Wood 2022-07-20 'Whistler' is a biography of James Abbott McNeill Whistler, an American painter active during the American Gilded Age and based primarily in the United Kingdom. He eschewed sentimentality and moral allusion in painting and was a leading proponent of the credo "art for art's sake". His signature for his paintings took the shape of a stylized butterfly possessing a long stinger for a tail. The symbol combined both aspects of his personality: his art is marked by a subtle delicacy, while his public persona was combative. He found a parallel between painting and music, and entitled many of his paintings "arrangements", "harmonies", and "nocturnes", emphasizing the primacy of tonal harmony.

I, James McNeill Whistler Lawrence Williams 1972

The Canadian Bed & Breakfast Guide Gerda Pantel 1996 Completely updated, this guide contains comprehensive listings of B&Bs in each Canadian province, including both small towns and cities, photos of almost every B&B, as well as complete descriptions--rates, types of rooms, meals, services, and special features. The British Columbia Bed & Breakfast Guide : Also Includes the Banff National Park Area Sarah Bell 1994

The Fury Out of Time Lloyd Biggle Jr. 2012-09-13 "The object arrived without warning, tearing a spiral path of devastation across the rural landscape. After the explosion, searchers sifted through the immense pile of debris ... to discover a fantastically instrumented capsule, and a strangely human pilot, stone dead. Bowden Karvel's theory, that the capsule's port of origin lay in the distant future, seemed a plausible explanation. But while investigating, the capsule was accidentally dispatched again through time ... only to reappear with an alien navigator, this time destroying a small French town. One thing seemed imperative: a human operator must man the intricate controls of the capsule, riding it forward to its mysterious point of origin. And Bowden Karvel seemed the perfect choice to make the trip..."

The Whistler Journal Elizabeth Robins Pennell 1921 Joseph and Elizabeth Pennell were American writers who lived abroad in England. They were also close friends with Whistler. Their biography on the artist features personal letters and journal entries.?
