Santa Fe Bohemia Eli Levin 2020-08-21
By the early 1970s, an active bohemian colony had developed in Santa Fe and it became a cultural boom town. The number of art galleries went from two to a hundred. Besides the Santa Fe Opera, there came into being endless festivals: for art, music, literature, theater, movies, fashion, and the crafts of Indians and Spanish Americans. The city's complex heritage of three interlocked cultures became "Santa Fe Style." But the fifteen years between 1964 and 1980 held a special magic. And Eli Levin experienced it all: the fading generation of older artists and the newly arriving younger generation; wild night life at Claude's Bar; artist's battles with conservative arts organizations; questionable successes and tragic failure of careers; exemplary

examples of lifetime dedication; and a number of suppressed scandals, one even involving possible murders. Packed with amusing anecdotes about the various artists with whom Levin painted, plotted and partied, this vivid memoir testifies to the exciting rebirth and burgeoning growth of one of this country's most well known art colonies.

Pathetica Dale R Schuss 2018-06-07
Dale was a shy Canadian teenager failing at school; Ryan was an American teenager pretending to be doing much better. Their unlikely "friendship" that started in the mid-1980's went on for five years of adventure along the west coast until it was just too obvious they could not stand each other. This is the story of growing up, getting together and having a hell of a time in the age of excess.

The Caretaker Richard F. Jarman 2013-06-06 In the year 117 A. D., a man called Speed arrives in the west central part of Scotland. Speed has a mission: to assimilate into the Lomond tribe and unite the local tribes against the Roman Empire. The mission will not be an easy one. He arrives at Loch Lomond, builds a boat, marries a local princess, and establishes a home on the east side of the lake. Speed begins traveling as the Lake Tribe ambassador and visits other settlements, trying to convince their leaders to create a

defense force against the encroaching Romans. But the highlanders and the lowlanders are proud, and working together isn't in their blood. It will take every ounce of Speed's diplomatic skills to convince them to join together. Yet the Romans pose a threat to their way of life, and unless they take a stand, they risk losing their land, their culture, and their very identity. The Caretaker is the first in a new series by Richard F. Jarman, one that combines compelling, vivid details and vibrant characters to create a sprawling historical tale set during the late Iron Age—the start of the reign of Hadrian.

52 Best Day Trips from Vancouver Jack Christie 2015-04-20 The best views, biking, beaches, and outings for kids--they're all here in an updated edition of the Lower Mainland's favourite guidebook for day-trippers, described in the clear, upbeat, observant prose that is Jack's trademark. From Delta to Whistler, West Vancouver to Harrison Hot Springs, detailed directions (including driving distances and times, as well as special information about wheelchair access) help you find your way and enjoy the sights en route. This fourth edition includes two brand-new chapters: Callaghan Valley in the Whistler mountains, and 1,001 Steps Park on Surrey's beaches.
