So, bearing in mind you require the ebook swiftly, you can straight get it. Its consequently very easy and therefore fats, isnt it? You have to favor to in this look

What Does the Bible Really Teach about Homosexuality? - Kevin DeYoung 2015-04-16

In just a few short years, massive shifts in public opinion have radically reshaped society's views on homosexuality. Feeling the pressure to forsake long-held beliefs about sex and marriage, some argue that Christians have historically misunderstood the Bible's teaching on this issue. But does this approach do justice to what the Bible really teaches about homosexuality? In this timely book, award-winning author Kevin DeYoung challenges each of us—the skeptic, the seeker, the certain, and the confused—to take a humble look at God's Word. Examining key biblical passages in both the Old and New Testaments and the Bible's overarching teaching regarding sexuality, DeYoung responds to popular objections raised by Christians and non-Christians alike—offering readers an indispensable resource for thinking through one of the most pressing issues of our day.

Is God anti-gay? - Sam Allberry 2013-07-01

A practical and sensitive exploration of the Bible's teaching on homosexuality. A practical and sensitive exploration of the Bible's teaching on homosexuality. It's the hot topic of the moment. Christians, the church and the Bible seem to be out of step with modern attitudes towards homosexuality. And there is growing hostility towards those who hold a different view to the culture's. So is God homophobic? And how do we relate to both Christians and non-Christians who experience same-sex attraction? In this short, simple book, Sam Allberry wants to help confused Christians understand what God has said about these questions in the scriptures. Drawing on his own experience, he offers a positive and liberating way forward through the debate. This revised and updated version includes answers to some new questions, including: * Should Christians attend gay weddings? * Isn't the Christian view of sexuality dangerous and harmful? * Is it sinful to experience same-sex attraction?

God Can Deliver You - Kristie F. Gauthreaux 2013-07

Have you ever asked yourself, "Can God deliver me?" You can live free, happy, peaceful, and loved. There are many voices saying where, when, who, and how you should live, but the one true way is in the love of Jesus Christ. Homosexuality is not God's best for your life and there is a way out. Allow the power of God that is in His Word, to deliver you. "God Can Deliver You, The Gay Society" teaches you how to love, accept love, and be delivered from the hand of the enemy. It teaches how Jesus provided a way for you and how to accept what He has done. This book will answer questions such as: * Does God love me? * Why are people gay? * Why have I felt this way for so long? * Is there a way out? * Does God approve of my life or not? * What should I do about my child's sexual identity? God answers those questions in the Bible... "For I know the thoughts that I think toward you, saith the Lord, thoughts of peace, and not of evil, to give you an expected end. Then shall ye call upon me, and ye shall go and pray unto me, and I will hearken unto you. And ye shall seek me, and find me, when ye shall search for me with all your heart." (Jeremiah 29:11, KJV). God Can Deliver You was written to lead people to their destination in Christ. If you suffer from confusion, depression, bullying, or negativity change it today by reading this book. It will change your life!

[The Practical School of the Holy Spirit - Part 8 of 8](#) - Ambassador Orejo Monday Ogbe

The Practical School of the Holy Spirit - Part 8 of 8, Get the last words from an old dying man; Help Practicing Homosexuals; Secure the Secret of Partial or Total Lockdown What is my motivation for writing this book and why would you want to read it? As we engage the marketplace as ambassadors of Christ - 2 Corinthians 5:21, never before has there been a need to be led by the Spirit of God than it is now. As we race towards the end, activities in the realm of the spirit continue to be heightened because the destiny of the human race hangs in the balance. Our ministry of reconciliation cannot be done on human wisdom, intellect, tactics or strategy devoid of the power and the working of the Holy

Spirit. As Christians, we should realize that we are spirit with a mind using our bodies as containers to execute. As Christians, our spirit has joined with the Spirit of God at conversion. To be motivated in body, we have to first be motivated in our spirit. The Spirit then communicates to our spirit and this to our minds and our minds instructs our body to take action based on the instruction sent to us by God's Spirit in us. But for lack of understanding and knowledge of the working and ways of the Holy Spirit, some of us have either ignored or grieved the Holy Spirit. As a result, our sensitivity to Him has died or He has chosen not to lead us any longer. This series on the school of the Holy Spirit will help heighten our sensitivity and working with our best friend who is ready and willing to help us be all that God has called us to be and to do. At the end of this series, some of us will begin to dream dreams with more clarity and poise, we will be activated in the realm of visions again, we will begin to pick up promptings, voices, flows from the Holy Spirit and interpret them accurately what the Holy Spirit is saying to us the churches so that we can be effective in the mission field of life. We developed these 41 series and further broke these up into 7 easy to read chapters of 8 books of which this one is our eighth in the series. We hope you like it and we pray it will make you an effective kingdom disciple-maker, operating powerfully in the Spirit realm in Jesus name, Amen

Can You Be Gay and Christian? - Michael L. Brown 2014

Offers practical guidance for Christians who have gay friends, family members, or who struggle with their own sexuality.

[Case Studies on Sexual Orientation and Gender Expression in Social Work Practice](#) - Lori Messinger 2006

This casebook focuses on sexual orientation and gender expression in relation to social work practice. An excellent resource, it offers 29 cases illustrating the variety of issues facing gay, lesbian, bisexual, and transgender (GLBT) people and communities in five practice settings—individuals, couples and families, communities and organizations, groups, and policy and research. The book also contains discussion questions, classroom exercises, and suggested readings for each case, so educators can easily integrate GLBT content into the classroom. Case Studies on Sexual Orientation and Gender Expression in Social Work Practice may be used on its own, in conjunction with another textbook, or as a complement to Deana F. Morrow and Lori Messinger's Sexual Orientation and Gender Expression in Social Work Practice: Working with Gay, Lesbian, Bisexual, and Transgender People (Columbia, 2006). Messinger and Morrow are award-winning teachers and their groundbreaking book is key for culturally competent undergraduate or graduate courses in practice, policy, human behavior and the social environment, research, and field education.

[Out in Central Pennsylvania](#) - William Burton 2020-06-15

Outside of major metropolitan areas, the fight for lesbian, gay, bisexual, and transgender rights has had its own unique and rich history—one that is quite different from the national narrative set in New York and California. Out in Central Pennsylvania highlights one facet of this lesser-known but equally important story, immersing readers in the LGBTQ community building and social networking that has taken place in the small cities and towns in the heart of Pennsylvania from the 1960s to the present day. Drawing from oral histories and the archives of the LGBT Center of Central PA History Project, this book recounts the innovative ways that LGBTQ central Pennsylvanians organized to demand civil rights and to improve their quality of life in a region that often rejected them. Full of compelling stories of individuals seeking community and grappling with inequity, harassment, and discrimination, and featuring a distinctive trove of historical photographs, Out in Central Pennsylvania is a local story with national implications. It brings rural and small-town queer life out into the open and explores how LGBTQ identity and social advocacy networks can form outside of a large urban environment.

A Homosexual Struggle - Johnathan Spirit 2014-11-13

This story is about a young man who was sexually abused as a young boy.

Over the years, he lived a secret homosexual life. By him living as a homosexual, he had to struggle with this lifestyle based on his religious Christian beliefs. While living this life, he encountered the spirit of homosexuality, lust, and perversion. He later tells on how the Lord Jesus has saved and delivered him from these evil spirits and the homosexual lifestyle.

Walking the Bridgeless Canyon - Kathy Baldock 2016-04-09

This book is a study guide for individuals and groups for use with the book "Walking the Bridgeless Canyon". It assists in removing the lenses and filters through which we view lesbian, gay, bisexual, and transgender people and further, how we interpret the six passages of Scripture related to same-sex behavior.

A Change of Affection - Becket Cook 2019-07-30

The powerful, dramatic story of how a successful Hollywood set designer whose identity was deeply rooted in his homosexuality came to be suddenly and utterly transformed by the power of the gospel. When Becket Cook moved from Dallas to Los Angeles after college, he discovered a socially progressive, liberal town that embraced not only his creative side but also his homosexuality. He devoted his time to growing his career as a successful set designer and to finding "the one" man who would fill his heart. As a gay man in the entertainment industry, Cook centered his life around celebrity-filled Hollywood parties and traveled to society hot-spots around the world--until a chance encounter with a pastor at an LA coffee shop one morning changed everything. In *A Change of Affection*, Becket Cook shares his testimony as someone who was transformed by the power of the gospel. Cook's dramatic conversion to Christianity and subsequent seminary training inform his views on homosexuality--personally, biblically, theologically, and culturally--and in his new book he educates Christians on how to better understand this complex and controversial issue while revealing how to lovingly engage with those who disagree. *A Change of Affection* is a timely and indispensable resource for anyone who desires to understand more fully one of the most common and difficult stumbling blocks to faithfully following Christ today.

God Loves Gays - Ken Harrow 2017-11-09

God loves (period). In fact, God doesn't just love - 'God is love' - It doesn't matter who we are or what we've done, God loves us. And He doesn't expect us to be perfect before we come to Him, or after for that matter. God gave my wife and I two gay sons and we are committed Christians. We love them unconditionally and so does God. That set me on a search of the Bible. Because it seemed important to my younger son that I should attend Gay Pride in Liverpool, I agreed to do so. I was overwhelmed by the reception I received as I held my 'God Loves Gays' sign. Apparently some religious people had been holding up a 'God hates Faggots' sign nearer the start of the procession. Hopefully this book will strike at those who judge others and who, by their very actions, condemn themselves. I want everyone to know that they are loved by God. He couldn't love them more than He does at this precise moment. Jesus came to show us that God loves us just as we are. He gave His life on the cross to display the full extent of that love. He tells us Himself that He did not come into the world to condemn people. God wants each one of us to run to Him, like the prodigal stinking of pigs, dirty and full of sin. No strings attached and if we do then he will kill the fattened calf, arrange the karaoke and even get some angels in on the jamboree. Sadly in the background will be religious people who can't stand fun but prefer to 'tut' - One of the chapters is headed 'God Invented Sex' - Too many seem to think that God doesn't like sex. He told the first couple, "Be fruitful and multiply!" And there's only one way to do that. Hopefully the book is fun. I sensed a twinkle in God's eye as I stood at Gay Pride and a chuckle as I set to writing this book. I hope you enjoy it and that it will cause you to run towards your loving creator with arms open wide just like his are towards you. I believe that the Bible is God breathed and that God is still breathing His life through His word. I believe that the Scriptures are 100% inspired. But I also believe that there is a progression - According to God's written law the woman caught in the act of adultery ought to have been stoned to death but Jesus rode roughshod over His Father's law and in certain other places it is clear that God changed His mind. Read on with a mind open to hear His voice. Inviting God into your life is to open yourself to the real fun. The devil is the kill-joy. God loves you massively and He couldn't love you one iota more than He does right now. I didn't know what to expect as I began writing this book but I found that He is aching to be loved by His creation. - Every single penny, dime, cent which I receive from each one of my books goes to Teenage Cancer Trust.

Ten Key Steps to Selecting a U.S. President - Ruby L. Ward Ph.D.

2013-03-04

Dr. Ruby Ward has been a successful licensed and ordained minister and spiritual leader for many people seeking to change their life spiritually and financially. She is married, has two children, and five grandchildren. She is the founder and Director of Families United for Restoration, and the Economic Empowerment Foundation for Women. Both programs are community-based organizations to assist families (men, women, and children) spiritually and financially. She was inspired to write this book because of the lack of information today pertaining to alternative ways of making a living besides working on a job to have a successful life. This book teaches people how to take control financially over their lives by applying spiritual principles and taking physical action. The author focuses on helping mankind to live a successful life. In all of her books she creates an atmosphere where you can obtain Godly wisdom and understand the divine nature of God as it relates to a person's life. She has written several best selling books to help people understand God's plan for their life spiritually, financially, and socio-economically. She teaches economic empowerment. Most people see the author as a true woman of God making a difference in other lives and one who understands her true potentiality in life. Many people have read her books and applied her teaching to their life. The author teaches that your life is changing whether you are involved or not.

Ministering Graciously to the Gay and Lesbian Community - Brian Keith Williams 2005

Helps you understand what will enable those individuals who are entrenched in what is called an 'alternative' lifestyle to find a path of peace in the recovery of their soul and self-esteem. Educate those who want to learn, to relate and to understand in order to genuinely minister graciously to the gay and lesbian community, whether they be family, friends, or fellow church members. Equip the reader with the information to gently and lovingly apply the oil of God's Spirit and the wine of God's love.

God Believes in Love - Gene Robinson 2013-06-04

From the IX Bishop of the Diocese of New Hampshire in the Episcopal Church, the first openly gay person elected to the episcopate and the world's leading religious spokesperson for gay rights and gay marriage—a groundbreaking book that persuasively makes the case for same-sex marriage using a commonsense, reasoned, religious argument. Robinson holds the religious text of the Bible to be holy and sacred and the ensuing two millennia of church history to be relevant to the discussion. He is equally familiar with the secular and political debate about gay marriage going on in America today, and is someone for whom same-sex marriage is a personal issue; Robinson was married to a woman for fourteen years and is a father of two children and has been married to a man for the last four years of a twenty-five-year relationship. Robinson has a knack for taking complex and controversial issues and addressing them in plain direct language, without using polemics or ideology, putting forth his argument for gay marriage, and bringing together sacred and secular points of view.

Loving Homosexuals as Jesus Would - Chad W. Thompson 2004-11-01

Chances are you know someone who is gay—a coworker, family member, or friend. And chances are, as a Christian, you're not exactly sure how to relate to this person. While the church has been pretty good at "hating the sin," it hasn't really known how to "love the sinner" without fear of condoning a homosexual lifestyle. Chad Thompson, a man who has struggled with homosexual feelings, argues that "homosexuality needs to be solved through relationships." Drawing from the life and words of Jesus, Thompson gives readers permission to love and befriend homosexuals before they change--and radically, even if they never change--their sexual orientation. This candid book includes an appendix of additional resources. It will be a valuable tool for pastors, teachers, counselors, and any Christian who knows someone who is gay.

Letters from Samaria - Louie Clay 2015-11-10

The definitive collection from one of the leading voices on LGBTQ issues in the Episcopal Church. *Letters from Samaria* gathers together much of Louie (Crew) Clay's best and most influential prose and poetry, written from 1974 until the present day, including an essay composed especially for the volume. Much of the material has not appeared since its original publication in newsletters and other ephemeral sources. It is crisply written, and often surprising for its bravery, matter-of-fact self-disclosure, insight, and love. Louie played a pivotal role in transforming The Episcopal Church – and, indeed, Christianity – over the past 40 years. This collection provides a window into Louie Clay's unlikely and at times shocking ministry throughout the years as history was unfolding. *Gay Girl, Good God* - Jackie Hill Perry 2018-09-03

"I used to be a lesbian." In *Gay Girl, Good God*, author Jackie Hill Perry shares her own story, offering practical tools that helped her in the process of finding wholeness. Jackie grew up fatherless and experienced gender confusion. She embraced masculinity and homosexuality with every fiber of her being. She knew that Christians had a lot to say about all of the above. But was she supposed to change herself? How was she supposed to stop loving women, when homosexuality felt more natural to her than heterosexuality ever could? At age nineteen, Jackie came face-to-face with what it meant to be made new. And not in a church, or through contact with Christians. God broke in and turned her heart toward Him right in her own bedroom in light of His gospel. Read in order to understand. Read in order to hope. Or read in order, like Jackie, to be made new.

The Parker Society for the Publication of the Works of the Fathers and Early Writers of the Reformed English Church - Parker Society (Great Britain) 1844

Does God Have a Gay Agenda? - Brian King 2021-09-28

There's a war raging all around us for the souls of men and women—for the souls of not only a generation, but of an entire community. An entire "nation," if you will. That nation is the LGBTQ community and its adversary, it's sad to say, is the mainstream Evangelical Church in America. Pastor Brian King believes that God loves the LGBTQ community and has a specific plan for them. With the scripture to back it up, he will attempt to prove that the Bible does not say what the Church claims it says concerning same-sex relationships. Scripture has been misinterpreted from its original writing—sometimes accidentally and other times for ideological or political gain. Does God have a Gay Agenda? will show that the Church in America has fought every single new move of God's Spirit for the last hundred-plus years, has betrayed her savior, and has sold herself for political power. Being LGBTQ is not a choice, but staying ignorant is. It is time that Evangelical Christians were made aware of the error of their ways with respect to the LGBTQ community, as well as of the Church's involvement in politics at the expense of the Gospel. And it is time to let the LGBTQ community know that they are loved and bring them into relationship with their Father.

I Was Born Gay I Was Born Again - JonPual McLurék 2020-10-03

All have sinned and all stand at a guilty distance from God. It was God who initiated "come out." Everyone has to come out from the darkness and into the light of Jesus Christ. Come out and separate yourself from evil deeds and worldly lust and walk in the newness of life in Jesus Christ. In *I Was Born Gay*, author JonPual McLurék presents a discussion of what gay people say and what the Bible states of marriage and being born gay. She provides Biblical proof of God's expectations. This discussion: - challenges people to examine what is being asked of them by the LGBT community; - helps believers and non-believers realize the numerous scriptures that support God's view of the matter and none for the effeminate; - shows it's not a question of freedom and rights already freely given by God to every man, but it's a battle of good versus evil; and - provides an understanding that the real problem is not homosexuality, but the ones who allow it to permeate society. *I Was Born Gay* challenges judges, religious leaders, politicians, effeminate, atheists, and this nation of God-fearing citizens to make a change for the better. The Sanctity of Marriage "Activist judges, however, have begun redefining marriage by court order, without regard for the will of the people and their elected representatives. On an issue of such great consequence, the people's voice must be heard. If judges insist on forcing their arbitrary will upon the people, the only alternative left to the people would be the constitutional process. Our nation must defend the sanctity of marriage." -President George W. Bush (January 20, 2004) LifeSiteNews.com

A War of Loves - David Bennett 2018-11-13

At 14, David Bennett came out to his parents. At 19, he encountered Jesus Christ. At that moment, his life changed forever. As a young gay man, David Bennett saw Christianity as an enemy to freedom for LGBTQI people, and his early experiences with prejudice and homophobia led him to become a gay activist. But when Jesus came into his life in a highly unexpected way, he was led down a path he never would have predicted or imagined. In *A War of Loves*, David recounts his dramatic story, from his early years exploring new age religions and French existentialism to his university experiences as an activist. Following supernatural encounters with God, he embarked on a journey not only of seeking to reconcile his faith and sexuality but also of discovering the higher call of Jesus Christ. *A War of Loves* investigates what the Bible teaches about sexuality and demonstrates the profligate, unqualified grace of God for

all people. David describes the joy and intimacy he found in following Jesus Christ and how love has taken on a radically new and far richer meaning for him.

From Disgrace to Grace: How Jesus Touched My Life - Candace Cherry 2016-11-08

It was a dark time in my life where I was doing things wrong by stealing, cheating, and living a life full of sin. Not knowing that there were consequences to my actions. Living in a world that is fallen and evil to the core. I was suddenly lost and without hope and didn't know which way to turn. Prayers weren't being heard, and life was spinning out of control. One thing after another was coming at me. I was brought to my knees, and I found myself broken. The shame was unbearable and too much for me to bear. I prayed to the Lord, and nothing happened. I found myself crying for mercy to the Lord and begging for his forgiveness. I didn't know how I was going to get through this painful part in my life. As my cry entered the Lord's ears, he had answered me, and he told me that he has forgiven me and his peace he leaves with me. The peace he gave me was not of this world. He told me to serve him and not sin. He told me to walk uprightly before him and to always acknowledge his son, Jesus Christ, the savior of the world. The day the Lord touched me was the greatest day of my life. I suddenly had regrets, wishing I had known the Lord sooner in my life. The Lord is so good and merciful. If I had only given him my life sooner, I thought, and then he reminded me that I wouldn't have the testimony I have today if I would've known him sooner. God has perfect timing, and he is always on time. Those who call upon the name of the Lord shall be saved. Wait patiently upon the Lord, and he will place you upon the rock of salvation, and that is Jesus Christ.

The Anglican Communion at a Crossroads - Christopher Craig Brittain 2018-06-05

Worldwide debates over issues of sexuality and gender have come to a head in recent years in mainline and evangelical churches, with the Anglican Communion—a worldwide network of churches that trace their practice to Canterbury and claim some 85 million members—among the most publicly visible sites of contestation. This thorough and compelling analysis of the conflicts within the Communion argues that they are symptoms of long-simmering issues that must be addressed when Anglican bishops and archbishops meet at the 2020 Lambeth Conference. To many, the disagreements over such issues as LGBTQ clergy, same-sex marriage, and women's ordination suggest an insurmountable crisis facing Anglicans, one that may ultimately end the Communion. Christopher Craig Brittain and Andrew McKinnon argue otherwise. Drawing on extensive empirical research and interviews with influential Anglican leaders, they show how these struggles stem from a complex interplay of factors, notably the forces and effects of globalization, new communications technology, and previous decisions made by the Communion. In clarifying both the theological arguments and social forces at play as the bishops and primates of the Anglican Communion prepare to set the Church's course for the next decade, Brittain and McKinnon combine sociological and theological methodologies to provide both a nuanced portrait of Anglicanism in a transnational age and a primer on the issues with which the Lambeth Conference will wrestle. Insightful, informative, and thought-provoking, *The Anglican Communion at a Crossroads* is an invaluable resource for understanding the debates taking place in this worldwide community. Those interested in Anglicanism, sexuality and the Christian tradition, the sociology of religion, and the evolving relationship between World Christianity and churches in the Global North will find it indispensable.

The Christian Union - 1886

The Real Deal - Gregory Alan Haage 2008-03

Written in a 'coffee talk' format, this is a VERY helpful book for both the seeker and Bible student. Pastor Greg writes in a style as if he's sitting across from you, talking one to one, fielding your questions about Jesus, as well as, controversial topics. A must-read, aid for everyone's library! In everyone's life there comes a time when they go on a God search, which usually involves listening to "religious experts." You watch CNN's Larry King Live show and a supposed "religious expert" says one thing about what the Bible really says and the very next night a different "expert" states just the opposite. (Most people think, "O.K. What's up with that?") You read about Christians being put in Roman coliseums with lions because they refuse to denounce their King, missionaries in third world countries dying for their faith, study martyrs over the last twenty centuries being killed for "the cause" only to watch stories of TV preachers living lavish lifestyles of jets, limousines and mansions and say to yourself, "What's wrong with this picture?" The Biblical insights to all

these relevant questions, especially in a crazy, confusing, 9/11, violent world, are in this no non-sense, straight ahead, "pull no punches" examination of Christianity by Greg Haage, a successful professional musician and recording artist who's now in ministry called to counsel and train others in "the faith" with one goal in mind: Getting people free from "religious works" or "denominational duties" and pointing them to the One who made the footprints in the sand. www.UpFrontMinistries.com
The Christian treasury (and missionary review). - 1878

Out of a Far Country - Christopher Yuan 2011-05-03

Over 100,000 copies sold! Coming Out, Then Coming Home Christopher Yuan, the son of Chinese immigrants, discovered at an early age that he was different. He was attracted to other boys. As he grew into adulthood, his mother, Angela, hoped to control the situation. Instead, she found that her son and her life were spiraling out of control—and her own personal demons were determined to defeat her. Years of heartbreak, confusion, and prayer followed before the Yuans found a place of complete surrender, which is God's desire for all families. Their amazing story, told from the perspectives of both mother and son, offers hope for anyone affected by homosexuality. God calls all who are lost to come home to him. Casting a compelling vision for holy sexuality, *Out of a Far Country* speaks to prodigals, parents of prodigals, and those wanting to minister to the gay community. "But while he was still a long way off, his father saw him and felt compassion, and ran and embraced him and kissed him." - Luke 15:20 Includes a discussion guide for personal reflection and group use.

The Parker Society, Instituted M. DCCC. XL. A.D., for the Publication of the Works of the Fathers and Early Writers of the Reformed English Church: Works of Hugh Latimer, bp of Worcester - 1844

Asylum - Edefe Okporo 2022-06-07

A "moving...dramatic" (David Ebershoff, New York Times bestselling author of *The Danish Girl*), and urgent call to action for immigration justice by a Nigerian asylee and global gay rights and immigration activist Edefe Okporo. On the eve of Edefe Okporo's twenty-sixth birthday, he was awoken by a violent mob outside his window in Abuja, Nigeria. The mob threatened his life after discovering the secret Edefe had been hiding for years—that he is a gay man. Left with no other choice, he purchased a one-way plane ticket to New York City and fled for his life. Though America had always been painted to him as a land of freedom and opportunity, it was anything but when he arrived just days before the tumultuous 2016 Presidential Election. Edefe would go on to spend the next six months at an immigration detention center in Elizabeth, New Jersey. After navigating the confusing, often draconian, US immigration and legal system, he was finally granted asylum. But he would soon realize that America is exceptionally good at keeping people locked up but is seriously lacking in integrating freed refugees into society. *Asylum* is Edefe's "powerful, eye-opening" (Dr. Eric Cervini, New York Times bestselling author of *The Deviant's War*) memoir and manifesto, which documents his experiences growing up gay in Nigeria, fleeing to America, navigating the immigration system, and making a life for himself as a Black, gay immigrant. Alongside his personal story is a blaring call to action—not only for immigration reform but for a just immigration system for refugees everywhere. This book imagines a future where immigrants and asylees are treated with fairness, transparency, and compassion. It aims to help us understand that home is not just where you feel safe and welcome but also how you can make it feel safe and welcome for others.

Mothers Who Deliver - Jocelyn Fenton Stitt 2010-09-01

New directions in thinking about mothering.

The Monthly Journal of the American Unitarian Association - American Unitarian Association 1868
Includes music.

The Things We Do for Love - Xavier Knight 2008-03-11

Ten years ago, Jesse Law was a twenty-year-old with the world at his feet. After surviving a painful, often lonely childhood as the youngest child in a music dynasty, he forged a high-profile career, blazing a path on the charts later followed by the likes of Usher and Justin Timberlake. Those heady times are far in the past now, and Jesse's life is far richer thanks to his emerging values, the love of his wife, Dionne, and a lower-key but fulfilling career as lead singer of the gospel group. As far as he has come, though, Jesse's days are burdened by a shameful reality.

God's Grace and the Homosexual Next Door - Alan Chambers

A Wife of Abraham - Lalaina Lightsey 2002-07-21

A Wife of Abraham: Inwardly Restoring The Qualities Of Sarah is a spirit filled self help book designed to aid in the spiritual restoration of the Christian woman. This book speaks about sensitive issues that the traditional church are often times embarrassed to teach or preach about. Issues such as sexual immorality, marriage, divorce and much more. Used in conjunction with the Holy Bible and daily prayer, *A Wife of Abraham* is an excellent tool in taking the first step to being a blessing to God such as Sarah was.

Costly Obedience - Mark A. Yarhouse 2019-06-25

Though we often hear about the "gay problem" today, there is an even deeper problem in the church today—one that we often overlook. The call to follow Christ is a call to costly obedience for all, not just for gay Christians. Far too often, the church has elevated homosexuality above other sins and required a costly obedience from gays that it is unwilling to demand of others. And yet, the answer is not to weaken the demands of obedience. Instead, gay Christians who make the difficult choice to align their lives with the biblical view of sexuality are a gift to the church, reminding all of us that spiritual growth and maturity is costly. There is a price to pay in following Christ and devoting our lives to the call of the gospel, and it is one that we all must pay—gay and straight Christians alike. Through the stories and struggles of gay Christians who are reorienting their lives around the costly obedience required to follow Christ, Mark Yarhouse and Olya Zaporozhets call the church to reorient as well, leaving behind the casual morality that is widespread today to pursue the path of radical discipleship. Unlike any other book on homosexuality and the church, this is a call to examine your life and consider what God is asking you to lay down to take up your cross and follow him.

Martin Luther King Jr., Homosexuality, and the Early Gay Rights

Movement - Michael G. Long 2012-11-28

Martin Luther King, Jr., was not an advocate of homosexual rights, nor was he an enemy; however both sides of the debate have used his words in their arguments, including his widow, in support of gay rights, and his daughter, in rejection. This fascinating situation poses the problem that Michael G. Long seeks to address and resolve.

Against the Romance of Community - Miranda Joseph 2002

Exposing the complicity of social practices, identities, and communities with capitalism, this critique opens the possibility of genuine alliances across differences among groups such as gay consumers in the United States and Mexican maquiladora workers, Christian right "family values" and Asian "crony capitalism". [back cover].

God and the Gay Christian - Matthew Vines 2015-06-16

The landmark book exploring what the Bible actually says—and doesn't say—about same-sex relationships. As a young Christian man, Matthew Vines harbored the same basic hopes of most young people: to some-day share his life with someone, to build a family of his own, to give and receive love. But when he realized he was gay, those hopes were called into question. The Bible, he'd been taught, condemned gay relationships. Feeling the tension between his understanding of the Bible and the reality of his same-sex orientation, Vines devoted years of intensive research into what the Bible says about homosexuality. With care and precision, Vines asked questions such as: • Do biblical teachings on the marriage covenant preclude same-sex marriage or not? • How should we apply the teachings of Jesus to the gay debate? • Can celibacy be a calling when it is mandated, not chosen? • What did Paul have in mind when he warned against same-sex relations? Unique in its affirmation of both an orthodox faith and sexual diversity, *God and the Gay Christian* has sparked heated debate, sincere soul searching, and widespread cultural change on the issue of what it means to be a faithful gay Christian.

UnClobber - Colby Martin 2016-09-28

Churches in America are experiencing an unprecedented fracturing due to their belief and attitude toward the LGBTQ community. Armed with only six passages in the Bible—often known as the "clobber passages"—the traditional Christian position has been one that stands against the full inclusion of our LGBTQ brothers and sisters. *UnClobber* reexamines each of those frequently quoted passages of Scripture, alternating with author Colby Martin's own story of being fired from an evangelical megachurch when they discovered his stance on sexuality. *UnClobber* reexamines what the Bible says (and does not say) about homosexuality in such a way that breathes fresh life into outdated and inaccurate

assumptions and interpretations.
