Auto Repair For Dummies - Deanna Sclar 2019-01-07

Auto Repair For Dummies, 2nd Edition (9781119543619) was previously published as Auto Repair For Dummies, 2nd Edition (9780764599026). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview, making it much easier to find hands-on fix-it instructions. Author Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. For anyone who wants to save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs.

The Elephant Lady of Thailand - Dennis W. Shepherd 2011-04

A True Story Born a poor hill tribe girl from a mountain jungle village in northern Thailand, Lek Chailert spent her childhood learning spiritual and healing powers from her grandfather, the village shaman. Hers was a world filled with beautiful morning calls from hundreds of gibbons, lush jungle foliage, banyan trees and giant timber bamboo, clear mountain creeks, and, from time to time, a wandering Asian tiger. She learned how to collect medicinal herbs and heal sick and injured animals. She also fought a constant battle against the vicious discrimination practiced against hill tribe minorities. Elephant Lady is the true story of this amazing woman. At her low point, she was a hunted woman, targeted for assassination. She became a

national disgrace when the world learned that elephants were being tortured for the sake of pleasing tourists at elephant shows. Powerful shadow forces in her native Thailand blamed her for the loss of tourist dollars. Discover the power of truth and conviction as you take one woman's journey into darkness, only to overcome it all, and ascend as the world's premier elephant savior.

Gravel Roads - Ken Skorseth 2000

The purpose of this manual is to provide clear and helpful information for maintaining gravel roads. Very little technical help is available to small agencies that are responsible for managing these roads. Gravel road maintenance has traditionally been "more of an art than a science" and very few formal standards exist. This manual contains guidelines to help answer the questions that arise concerning gravel road maintenance such as: What is enough surface crown? What is too much? What causes corrugation? The information is as nontechnical as possible without sacrificing clear guidelines and instructions on how to do the job right.
