International Society For Contact Lens Research Raymond I. Myers, OD 2009-06-22 The International Society for Contact Lens Research has reached its 31st year having become a preeminent source of research assessment and direction for its members. To the extent that ISCLR's

meetings are also "think tanks," their influence extends beyond a small membership. The elements necessary to assess the current field at each meeting; and its deficiencies and future directions using the input of 100+ participants are the subjects for this book. Its formation and continuance through ophthalmologists, optometrists, manufacturers, and academics in many fields is the adhesive which have kept this a vibrant organization.

The Rough Guide to Canada Rough Guides 2016-06-21 The Rough Guide to Canada is the ultimate guide to this vast and varied land. With plenty of recommendations for things to see and do, from Toronto and Montreal to Vancouver, and from the east coast to the far north, you'll discover all the best this country has to offer. This guide is packed with practical advice on exploring Canada's great outdoors, from hiking or skiing in the Rockies to canoeing through British Columbia's lakes, and from whale watching to looking out for grizzly bears. Whether you're camping in one of the many beautiful national parks, heli-skiing in the mountains, or going in search of the northern lights, this book will give you all the practical advice you need for an amazing adventure. Make the most of your time with The Rough Guide to Canada.

Sport Tourism Destinations James Higham 2007-03-30 Few forces in contemporary society influence the fortunes of tourism destinations more immediately than sport. From football fans to kayaking, Sports Tourism Destinations: issues, opportunities and analysis examines the planning, development and management of sport tourism destinations. With contributions from international experts, this book looks at the dramatic effects sports tourism has on the economy and future of tourism destinations. Divided into four parts, the book systematically covers: Sports tourism destination analysis: applies principles of destination resource analysis to the study of sport tourism destinations Destination planning and development: illustrates the mutually beneficial links between sport, tourism and destination planning. Destination marketing and management: explores theoretical and applied aspects of sport tourism destination marketing and management Sport tourism impacts and environments: identifies and discusses critical issues of sustainable development at sport tourism destinations Practical case studies in each chapter illustrate and highlight the links between sport tourism theory and practice, making this book a vital resource for lecturers and students alike.
