Vanishing British Columbia Michael Kluckner 2011-11-01 The old buildings and historic places of British Columbia form a kind of "roadside memory," a tangible link with stories of settlement, change, and abandonment that reflect the great themes of BC's history. Michael Kluckner began painting his personal map of the province in a watercolour sketchbook. In 1999, after he put a few of the sketches on his website, a network of correspondents emerged that eventually led him to the family letters, photo albums, and memories from a disappearing era of the province. *Vanishing British Columbia* is a record of these places and the stories they tell, presenting a compelling argument for stewardship of regional history in the face of urbanization and globalization.

Gangsta., Vol. 3, Kohnske 2019-03-19 Ergastulum is a tough town, a place where the rule of law takes a backseat to the law of violence, where Handymen like Nic and Worick make a living doing odd jobs from routine deliveries to extrajudicial killings. Discreet, ruthless, and efficient, the men are respected by both the police brass and the Mafia dons, but it took many long, hard years for them to make their names. Behind those years is the hidden history of how the scion of an elite family and a boy soldier of the Twilights ranks formed an improbable, unbreakable bond. - VIZ Media

Corpse on the Imjin! Harvey Kurtzman 2012-11-15 EC reprint series kicks off with war-story masterpieces from the legendary Harvey Kurtzman. The creation of MAD would have been enough to cement Harvey Kurtzman's reputation as one of the titans of American comics, but Kurtzman also created two other comics landmarks: the scrupulously-researched and superbly-crafted war comics *Two-Fisted Tales* and *Frontline Combat*. Here were finally war comics without heroic, cigar-chomping sergeants, wisecracking privates from Brooklyn, or cartoon Nazis and "Japs" to be mowed down by the Yank heroes, but an unflinching look at the horror and madness of combat throughout history.

Love Never Dies Dr. Jamie Turndorf 2015-08-25 "Guaranteed to give immense hope," this manual on reconnecting with loved ones who have passed on "provides stunning evidence of the continuity of love and life" (Suzanne Giesemann, author of *Messages of Hope*) Famed relationship therapist, author, and media personality Dr. Jamie Turndorf—known worldwide as Dr. Love—shares the amazing true story of her spiritual reconnection with her beloved, deceased husband, internationally renowned former Jesuit priest Emile Jean Pin. Discovering for herself that relationships don't end in death, Jamie recounts her remarkable experience where, through the depths of her grief after Jean's sudden passing, her husband made his continued presence—and undying love—known. Drawing on these personal encounters, Jamie has created a groundbreaking new form of grief therapy that combines her acclaimed conflict-resolution techniques with after-death communication. The result: an unprecedented method that enables the bereaved to

reconnect, resolve unfinished business, and make peace with the deceased. Filled with dozens of examples of spirit contact and communication, this book eliminates any doubt about life after death and shows that contact is ongoing. Loved ones in spirit don't just linger briefly before going to "heaven" and disappearing from your life. Rather, heaven is a state, not a place, and your loved ones have eternity to support you and heal any issues left behind when they passed on. Come to recognize the numerous signs from spirit that you may have been missing. Learn to trust yourself and the process that's right for you—not a shortened, artificial grief period prescribed by conventional doctors. Practice techniques for heightening your senses, expanding your awareness, and entering an open state, culminating in Jamie's method for Dialoguing with the Departed. When connection and love live on, fear is banished and relationships can grow and heal as never before. Begin opening your mind and your heart today!

Came the Dawn Wallace Wood 2012-11-15 Taking its title from one of Wallace Wood's all-time classics, the evil little paranoid thriller "Came the Dawn," this collection features page after page after page of Wood's sleek and meticulously crafted artwork put in the service of cunning twist-ending stories, most often from the typewriter of EC editor Al Feldstein. These tales range from supernatural shockers from the pages of *Tales From the Crypt* and *The Haunt of Fear* ("The Living Corpse," "Terror Ride," "Man From the Grave," "Horror in the Freak Tent") to often pointedly contemporary crime thrillers from *Crime Suspense Stories* ("The Assault," "The Whipping," and "Confession," which was singled out for specific excoriation in the anti-comics screed *Seduction of the Innocent*, thus giving it a special cachet), but the breathtaking art and whiplash-inducing shock endings are constants throughout.

Essays address the masters of the form, including Art Spiegelman, Alan Moore, and Marjane Satrapi, and reflect on their publishing history as well as their social and political effects.
