Hotel Babylon Imogen Edwards-Jones 2011-11-30 'Something strange occurs to guests as soon as they check in. Even if in real life they are perfectly well-mannered, decent people with proper balanced relationships, as soon as they spin through the revolving hotel doors the normal rules of behaviour no longer seem to apply.' All of the following is true. Only the names have been changed to protect the guilty. All the anecdotes, the stories, the characters, the situations, the highs, the lows, the scams, the drugs, the misery, the love, the death and the insanity are exactly as was told by Anonymous - someone who has spent his whole career working in hotels at the heart of London's luxury hotel industry. However, for legal reasons, the stories now take place in a fictitious hotel known as Hotel Babylon. More than a decade is compressed into a day. Everything else is as it should be. The rich spend money, the hotel makes money and the chambermaids still fight the bellboys over a two-pound coin. It's just another twenty-four hours in an expensive London hotel.

Hotel Revolution Howard Watson 2005-11-29 For the first time, Hotel Revolution draws together the new concepts of luxury that are central to 21st-century life, highlighting radical, exciting and exquisite designs that leave the now diluted concept of the boutique hotel in their wake. Hotel design has reached a new peak of innovation in recent years, providing a prism for our understanding of culture, style and desire. Using beautiful photographs, Howard Watson reassesses the diversity of hotel design in the wake of the rise of the boutique hotel, exploring new projects from many of the world's greatest designers and architects. The cultural importance of hotel design has never been greater, becoming the mirror to our aspirations and the fulcrum for innovation in architecture and design. With a blossoming interest in eco-resorts, spas and retreats, we now see hotels as both the leaders of style and as the antidote to the negative aspects of modern life. Karim Rashid, Marcel Wanders, Antonio Citterio, Philippe Starck, Matteo Thun, Norman Foster, Zaha Hadid, David Chipperfield, GRAFT and many other inspirational designers have taken on the challenge. They have created gorgeous hotels that shock and delight. From converted boulangeries and convents to micro hotels to country retreats and eastern spas, the designers have delivered...with style. Featured hotels include: Hotel Puerta América, Madrid Hotel on Rivington, New York Semiramis, Athens Virgilius Mountain Resort, South Tyrol Zetter, London Lute Suites, Ouderkerk North Island, Seychelles Bulgari Hotel,
