The Christmas Joy Ride

Melody Carlson 2015-08-25

Miranda did not put adventure on her Christmas list, but thanks to her eighty-five-year-old neighbor Joy, that's exactly what she's getting this year. When Joy tells Miranda that she plans to drive an old RV decked out in Christmas decorations from their Chicago neighborhood to her new retirement digs in Phoenix--in the dead of winter, no less--the much younger Miranda insists that Joy cannot make such a trip by herself. Besides, a crazy trip with Joy would be more interesting than another Christmas home alone. Unemployed and facing foreclosure, Miranda feels she has nothing to lose by packing a bag and heading off to Route 66. But Joy has a hidden agenda for their Christmas joyride--and a hidden problem that could derail the whole venture. No one captures the heartwarming fun of the Christmas season quite like Melody Carlson. Fasten your seat belt, because it's going to be an exciting ride!

A Very Private Public Citizen

Nancy Peterson Hill

2014-11-18 Grenville Clark was born to wealth and privilege in Manhattan, where his maternal grandfather, LeGrand Bouton Cannon, was an industry titan, retired Civil War colonel, and personal friend of Abraham Lincoln. Clark grew up on a first-name basis with both Presidents Roosevelt, and his close friends included Supreme Court justices. He was well known and respected in the inner circles of business, government, and education. In *A Very Private Public Citizen: The Life of Grenville Clark*, Nancy Peterson Hill gives life to the unsung account of this great and largely anonymous American hero and reveals how the scope of Clark's life and career reflected his selfless passion for progress, equality,

and peace. As a member of the “Corporation,” Harvard’s elite governing board, Clark wrote a still-relevant treatise on academic freedom. He fought a successful public battle with his good friend President Franklin Roosevelt over FDR’s attempt to “pack” the Supreme Court in 1937. He refused pay while serving as a private advisor for the Secretary of War of the United States during the Second World War, and he worked closely with the NAACP to uphold civil rights for African Americans during the tumultuous 1950s and ‘60s. Clark devoted his last decades to a quest for world peace through limited but enforceable world law, rewriting the charter of the United Nations and traveling the globe to lobby the world’s leaders. An enthusiastic husband, father, and friend, Clark was a lawyer, civil rights activist, traveler, advisor, and world citizen at large. Memories from Clark’s family and friends weave through the book, as do Clark’s own inimitable observations on his

life and the world in which he lived. *A Very Private Public Citizen* brings Clark out of the shadows, offering readers an inspiring example of a true patriot and humanitarian, more concerned with the well-being of his country and his fellow man than with his own fame.

**Precious Memories and
Funny Short Stories of Life
On the Farm**

Deborah J. Rogers/Logsdon 2009-09-04
This book describes the precious memories and some funny short stories of a young girl growing up on a farm during the 1950s and 60s, a 167 acre working farm, no gasoline powered machinery; no tractors, the only horse-power was 4-1000 pounds of pure flesh and bone; horses. No indoor plumbing, therefore no indoor toilet; they owned and operated and outdoor outhouse; no soft white toilet paper; Sears & Roebuck catalog, or the weekly newspaper served the purpose. As a young girl she remembers the many valuable lessons she learned, and experienced many very funny scenerios, that she shares with her readers; the

twenty pound menace, the horrifying experience of making mincemeat, the terrifying experience of the forbidden smokehouse, and the rock-hurling grandma, the runaway horse, and a episode with a blind Missouri mule named Bill. The precious memories remained ingrained in her soul; The smell of fresh mowen hay, the capturing of lightening bugs, and the sounds, sights, and smells of a spring day.

Santa's Thirty-Five-Year Sleigh Ride Charles Jeffrey Noel 2020-12-10 The title of my book, *Santa's Thirty-Five Year Sleigh Ride: Memoirs of a Professional Career as Santa Claus*, states the basic summary of my book and alerts the reader of what to expect. It contains many of my favorite memories (memoirs) of my career as a professional Santa Claus over the past thirty-five years. To me, children are special, and they deserve to be happy. At first contact, I have no idea of their background or their circumstances. I just do my best to make them feel like the most important person in the world. The few minutes they have with me (as Santa Claus) might very well be the only time during the entire year that they feel special, important, and loved. My

memoirs are full of interesting stories, sad stories and true tales of surprising adventures and events in the life of a modern-day Santa Claus. Since I love humor, and I think that most people do, I have included my most memorable stories that are memorable because of the humor involved. And perhaps some of my favorite memories will become some of yours as well. Maybe you have wondered what a Santa Claus does, what experience he has had, or why he became a Santa Claus in the first place. Perhaps you have wondered what credentials he has to have or what type of personality he needs to be a great and convincing Santa Claus. If so, my book will be of great interest and value to you. I, as Santa, have had many, many precious moments with children; I have had both funny and sad moments that may bring you to tears. I've smiled, I've laughed, and I've cried. You will too. And if you've ever wondered what it would be like to be a Santa Claus and make a child smile by just being

Balanced and Barefoot Angela J. Hanscom 2016-04-22 "Angela Hanscom is a powerful voice for balance." —Richard Louv, author of Last Child in the Woods In this important book, a pediatric occupational therapist and founder of TimberNook shows how outdoor play and unstructured freedom of movement are vital for children's cognitive development and growth, and offers tons of fun, engaging ways to help ensure that kids grow into healthy, balanced, and resilient adults. Today's kids have adopted sedentary lifestyles filled with television, video games, and computer screens. But more and more, studies show that children need "rough and tumble" outdoor play in order to develop their sensory, motor, and executive functions. Disturbingly, a lack of movement has been shown to lead to a number of health and cognitive difficulties, such as attention deficit/hyperactivity disorder (ADHD), emotion

regulation and sensory processing issues, and aggressiveness at school recess break. So, how can you ensure your child is fully engaging their body, mind, and all of their senses? Using the same philosophy that lies at the heart of her popular TimberNook program—that nature is the ultimate sensory experience, and that psychological and physical health improves for children when they spend time outside on a regular basis—author Angela Hanscom offers several strategies to help your child thrive, even if you live in an urban environment. Today it is

rare to find children rolling down hills, climbing trees, or spinning in circles just for fun. We've taken away merry-go-rounds, shortened the length of swings, and done away with teeter-totters to keep children safe. Children have fewer opportunities for unstructured outdoor play than ever before, and recess times at school are shrinking due to demanding educational environments. With this book, you'll discover little things you can do anytime, anywhere to help your kids achieve the movement they need to be happy and healthy in mind, body, and spirit.
