A Stand Yet Taken Randy Farnsworth 2004-04-05 A deadly disease...A rogue band of terrorists...The endless rainforest...And one man with no desire to fight...After escaping the hassles of western society, Logan Pierce had grown comfortable with his unencumbered life in a forgotten village deep in the Borneo rainforest. But even in this beautiful and isolated corner of the world, trouble and crisis had a way of finding him. Now - caught in a clash between peaceful villagers, a deadly ancient disease, and a fanatical mob of well-armed terrorists - Logan must choose between fighting a battle he wants nothing to do with or once again fading into anonymity. As the looming conflict appears increasingly hopeless, will there be a stand yet taken?

Playing Around Toria Lyons 2015-08-24 Following hot on the heels of *Playing For Keeps* comes *Playing Around*, the second book in the racy *Scarlet* series. Rugby fanatic Clare has spent her life focusing on herself and her career. When the undeniably charismatic Alex Prince sets his sights on her, she's sure it's only to add to the number of ever-growing notches on his bedpost and vows to keep herself away, despite her attraction. Alex has other plans, and when he admits he needs her help in securing a family inheritance, he makes her an offer she can't refuse. Suddenly, Clare finds herself caught up in more than she can handle - and that includes meeting the extended Prince family. Clare reassures herself it's just a business transaction, but sparks fly between them - and wonders, is there more to lose than what's just on the surface?

Fatigue in Aviation John Caldwell 2016-05-12 This updated edition includes fatigue and sleep definitions as well as strategies for the measurement and assessment of fatigue. The aviation performance, mood, and safety problems associated with sleep restriction and circadian disruptions in operational settings are highlighted. The biological bases of fatigue are discussed so that the reader can understand that it is a real physiological phenomenon and not 'just a state of mind'. Both traditional and newly-developed scientifically-valid countermeasures are presented, and a variety of data from diverse sources are included to provide readers with a 'toolbox' from which they can choose the best solutions for the fatigue-related problems that exist in their unique operational context. In addition, an essential overview of Fatigue Risk Management Systems is included to provide the basic structure necessary to build and validate a modern, integrated approach to successful fatigue management. The book is of interest to aviation crews in both civilian and military sectors-- managers as well as pilots, flight crews, and maintainers. It aims to be user-friendly, although scientific information is included to help the reader fully understand the 'fatigue phenomenon' from an evidence-based perspective as well as to enhance the reader's

appreciation for the manner in which various counter-fatigue interventions are helpful.

Dog Tags #4: Divided We Fall C. Alexander London 2014-04-29 Man's best friend goes to war. LOYALTY ABOVE ALL ELSE. Andrew believes in the importance of loyalty. He is loyal to his family. He is loyal to his hound dog, Dash. And he is loyal to his country, the Confederate States of America. Although he's too young to join the Confederate Army, Andrew is welcomed into the Home Guard, a group of men who track down deserters and runaways. He and Dash make a great team. But hunting people is very different from hunting raccoons. And soon Andrew's loyalty will be tested like never before. Dog Tags is a series of stand-alone books, each exploring the bond between soldier and dog in times of war.

Pocket Book of Hospital Care for Children World Health Organization 2013 The Pocket Book is for use by doctors nurses and other health workers who are responsible for the care of young children at the first level referral hospitals. This second edition is based on evidence from several WHO updated and published clinical guidelines. It is for use in both inpatient and outpatient care in small hospitals with basic laboratory facilities and essential medicines. In some settings these guidelines can be used in any facilities where sick children are admitted for inpatient care. The Pocket Book is one of a series of documents and tools that support the Integrated Managem.

Fancy That Dennis Shay 2008-03-01 Benjamin Roberts is a loser in life, then on a whim he buys a home computer though he knows nothing about computers and can't even type. Therein, he meets Max in cyberspace who offers him fame, fortune, and the woman of his dreams, asking only for Ben's friendship in return. Lo! Max delivers. But in doing so, he makes Ben the target of the FBI, the Treasury Dept., CIA, Interpol, and the security forces of every country on Earth, not to mention organized crime. As for Jenny, Ben's dream woman, Max insists on orchestrating an elaborately prolonged seduction of her that will never reveal his true role in it. Progressively, questions arise. Who is this Max and what is he actually up to? Will Jenny love and stay true to Ben? If federal agents finally arrest Ben, will he ever again go free to enjoy his fabulous fortune and be back with Jenny? And who is the Beijing Bulldog anyway? But in the end, perhaps the only thing that truly matters is what Ben Roberts fancies.

Dog Tags Stephen Becker 2016-01-12 From the killing fields of World War II to a Chinese POW camp during the Korean War, this mesmerizing novel is a tribute to the legacy of the Greatest Generation Separated from his fellow American soldiers, Benny Beer walks alone on a frozen plain in Germany during World War II. Lost and afraid, he seeks shelter in an abandoned tavern and encounters a victim of the Holocaust. Benny tries to save the suffering man's life, but never knows if he succeeds—he wakes up in a hospital bed, wounded and missing his dog tags, with no memory of how he got there. Sent back to Brooklyn with a limp and a Purple Heart, Benny falls in love, gets married, and becomes a doctor—not necessarily in that order—but his life is just beginning when he is called to serve his country once more. In Korea, he is captured and sent to a Chinese prison camp, where for two and a half long years he practices the fine art of self-preservation and fights the cruelty and indifference of his captors with compassion, care, and a fierce sense of humor. Poignant, witty, and authentic, Dog Tags is the story of an ordinary man in extraordinary times, of an awkward Jewish boy who grows up to become an American hero. Soldier, doctor, lover—Benny Beer is one of the most captivating protagonists in twentieth-century literature.

Dog Tags Heidi Glick 2013-06-07 When disabled ex-Marine Mark Graham reconnects with his best friend's sister, he finds himself falling in love. But Beth Martindale's presence is a constant reminder of events he'd rather forget. Mark wants to move forward, but the secrets surrounding her brother's death, as well as his own confinement to a wheelchair, threaten to tear them apart. When a psychopath who calls himself The Knight fixates on Beth, Mark is determined to give her the protection he failed to give her brother on the battlefield, yet he discovers that a wheelchair isn't the only impediment he has to keeping Beth safe. Will terror win, or can Mark find the strength of mind and body to rescue Beth and find his own redemption?

Eight Muses of the Fall Edgar Calabia Samar 2017-11-01 This novel is on the one hand a young man's frustrated attempt to write the great Filipino novel, and on the other, his coming to terms with the futility of his search for his lost mother. Along the way, he is guided and misdirected by some muses and demons to reimagine his personal past without the burden of national history. He will be forced to accept that truth can somehow be in the deceptive, inchoate recreation of memories, without which, the fall seems inevitable.

Dog Tags #1: Semper Fido C. Alexander London 2013-04-30 Man's best friend goes to war. When Gus Dempsey joins the US Marine Corps, he knows without a doubt that he will make a great dog handler. He's always been good with dogs. In fact, he's often better with dogs than he is with people. But Loki is not the dog that Gus was expecting. Fun-loving and playful, Loki acts more like a pet than the well-trained, bomb-sniffing Marine that he's supposed to be. When Gus and Loki deploy to Afghanistan, though, they have no choice but to learn to work together. Because in war, getting along is a matter of life and death.

Dog Tags G.W. Vaterlaus 2013-12-20 Claire's life was a wreck, her father passed, she was forced to place her Mother in a nursing home and her boyfriend loved the Rodeo more than her. Unlost Gail Muller 2021-09-07 'Gail writes with humour, heart and passion.' Giovanna Fletcher, Sunday Times #1 bestselling author Gail Muller was told she'd be in a wheelchair by the age of forty. At forty-one, she embarked on one of the world's toughest treks - The Appalachian Trail. An inspiring, uplifting and moving account of one woman's incredible journey into the unknown and how she reclaimed herself in the process. As Gail took her first steps on the 2,200-mile trek through the wilderness of the USA, she had no idea what lay ahead of her, but she knew she felt burnout from city life, lost and broken - ready to heal a mind and body that she had battled with for so long. From the resilience-building mountain climbs, painful injuries and harsh reality of braving the raw elements, to the unexpected friendships forged with other hikers and the kindness of strangers offering food and shelter - with every step, Gail started to let go of a past dominated by chronic pain and reconnected with herself in a way she'd never been able to before. A love letter to the healing power of the wild outdoors and an incredible testament to the strength of the human spirit, Gail's story is for anyone who has ever felt stuck in a rut, lost or scared. She shows us that even in our darkest times, it's possible to find our inner grit, face our fears and feel hopeful. Essential reading for fans of Cheryl Strayed's Wild and Elizabeth Gilbert's Eat, Pray, Love. Read what everyone is saying about Unlost: 'An amazing debut novel! OMG!... I really loved your book! And so glad that you made this journey!... I'm not a crier, but your last chapter

had me almost in tears. So (wonderfully) emotional.' NetGalley reviewer, [REDACTED] 'Muller's story is inspirational... her writing is warm and witty, and there were quite a few moments that made me snort or chuckle - or suck in my breath. I read the book in more or less a day - I just had to consume it... it was a joy to read a woman's take on it all, let alone a woman suffering a chronic condition so similar in ways to my own. This book does all it can to communicate to its reader that there is worth and joy to be found in pushing the boundaries we perceive around us.' NetGalley reviewer, [REDACTED] 'Muller's brave journey is one of enlightenment, perseverance, and strength against all odds, a testament to pushing beyond the boundaries of what our physical bodies limit us. A Great Read!' Goodreads reviewer, [REDACTED] 'As I was reading this book, I found myself holding my breath quite a few times, hoping that she was going to be all right... Gail put everything she went through in this book with such depth that I felt like I was right there with her.' NetGalley reviewer, [REDACTED] 'Gave me pause to think outside the box. Was I missing out? Has all my stuff been distracting me from growing, living? I found her journey most encouraging and I was so proud of her accomplishments.' NetGalley reviewer, [REDACTED]

Hyde's Corner - Book I - No Man's Land J B Bergstad 2013-04-13
Hyde's Corner - Book I - No Man's Land is the first installment of a historical novel of epic proportions. Book I - No Man's Land details the tale of a family saga only three books can tell. Selmer Burks grows into a man many will call monster, yet, he is a man capable of great love and devotion to family and community. Selmer Burks, youngest son of Silas and Mathilda Burks, sees his family decimated in brutal fashion by Cedric and Jared Hyde. At nineteen, he embarks on a suicidal plot of revenge against those he holds responsible, but before he makes a fatal mistake, a newspaper headline catches his eye. With a cunning beyond his years, he

wins election as sheriff of the newly formed Sundowner County. Under color of law, Selmer Burks begins a terrifying campaign of revenge that spans thirty years. His vendetta of hate claims the life of his wife and is responsible for the rape, pregnancy and death in childbirth of his beloved daughter, Laura Lee Burks. Burks makes arrangements to transport his daughter's body home. But hate has claimed it's pound of flesh and part of his sanity as well. On the drive home, Burks plots the murder of long time friend, Doctor Herman Beaman, who has accompanied him, as well as the bastard boy he sees as the demon seed of the rapist Robert Hyde.
