The new exhilarating New York Times bestselling romance from the author of The Proposal, a Reese Witherspoon x Hello Sunshine Book Club Pick! Maddie and Theo have two things in common: 1. Alexa is their best friend 2. They hate each other After an "oops, we made a mistake" night together, neither one can stop thinking about the other. With Alexa's wedding rapidly approaching, Maddie and Theo both share bridal party responsibilities that require more interaction with each other than they're comfortable with. When it's suddenly pushed up and they only have a few months left of secret rendezvous, they find themselves regretting that the end is near. Two people this different can't possibly have a connection other than the purely physical, right? But as with any engagement with a nemesis, there are unspoken rules that must be abided by. Wedding Bells Anthony Ekanem 2016-09-24 He has popped the question. The ring is on your finger. Now comes the stressful part. You want to throw the wedding of your dreams, but you do not have all the money in the world. What do you do? Statistics shows that an average wedding costs about \$20,000. Most young girls dream of the fairy tale wedding: long white gown, 8 bridesmaids, a sit-down dinner, and the band everyone dances to. Many brides have been dreaming about their wedding day since childhood. These dreams come with an expensive price tag and the realization of their fairy-tale day may be distant. Although weddings are very costly today, your dream day can happen. In this book, you will learn some tips on how to cut corners and save money without making huge sacrifices. By taking the time to plan and investigate, you will be amazed at the amount of money that you save. Would you arrive at an interview for your

dream job without prior preparation? No, you would not and that is why preparation and research will make your wedding a success without re-mortgaging the house! It is only natural to want the Cinderella fantasy wedding, complete with ice sculptures, a heavenly cake, and thousands of guests who have flown in from around the world to enjoy the accompanying dinner. It is only human to cry at the bill that this dream can rack up. Costs can add up quickly. Factor in the meal, the liquor, the music, the dress, the flowers, the photographer, the decorations and the dream wedding can seem way out of your league. But it doesn't have to be. How can the average person have a beautiful wedding with all the bells and whistles on a working person's salary? Spending your life savings on your big day is crazy. You can have an elegant and beautiful wedding without breaking the bank. Having a cheap wedding doesn't mean giving up style or sentimentality. It means using your imagination, using your own hands or the help of friends and family.

Ugly Love Colleen Hoover 2014-08-05 From Colleen Hoover, the #1 New York Times bestselling author of *It Ends With Us*, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.

Wedding Vows Susan Lee Smith 2001-05-01 This book is a comprehensive and unique guide on how to write one's own wedding vows. In the U.S. alone, there are over 2.4 million weddings every year -- and no two will be exactly alike. Yet whatever the differences, the exchanging of vows is often the most anticipated and memorable moment in the ceremony. Personalizing one's wedding vows is a growing trend in America, but it can be a very stressful experience. This book will help couples by answering some essential questions in preparing for their ceremony: -- How much of your religion's traditional vows should you include? -- Is your favorite poem appropriate for the setting you are in, or should you just memorize a couple of lines? -- Are you stuck on what to say after “I knew you were the one the moment we met?” -- Are your favorite Led Zeppelin song lyrics an appropriate expression of how you feel about your fiance? -- Should you share your

vows at the rehearsal?
