*Nigerian Pentecostalism and Development* - Richard Burgess 2020-04-06

This book examines the contributions, both intentional and unintentional, of Nigerian Pentecostal churches and NGOs to development, studying their development practices broadly in relation to the intersecting spheres of politics, economics, health, education, human rights, and peacebuilding. In sub-Saharan Africa, Pentecostalism is fast becoming the dominant expression of Christianity, but while the growth and civic engagement of these churches has been well documented,

their role in development has received less attention. The Nigerian Pentecostal landscape is one of the most vibrant in Africa. Churches are increasingly assuming more prominent roles as they seek to address the social and moral ills of contemporary society, often in fierce competition with Islam for dominance in Nigerian public space. Some scholars suggest that the combination of an enchanted worldview, an emphasis on miracles and prosperity teaching, and a preoccupation with evangelism discourages effective political engagement and militates against development. However, Nigerian Pentecostalism and Development argues that there is an emerging movement within contemporary Nigerian Pentecostalism which is becoming increasingly active in development practices. This book goes on to explore the increasingly transnational approach that churches take, often seeking to build multicultural congregations around the globe, for instance

in Britain and the United States. Nigerian Pentecostalism and Development: Spirit, Power, and Transformation will be of considerable interest to scholars and students concerned with the intersection between religion and development, and to development practitioners and policy-makers working in the region.

*Christianity and Controversies*

*over Homosexuality in Contemporary Africa* - Ezra Chitando 2016-05-12

Issues of homosexuality are the subject of public and political controversy in many African societies today. Frequently, these controversies receive widespread attention both locally and globally, such as with the Anti-Homosexuality Bill in Uganda. In the international media, these cases tend to be presented as revealing a deeply-rooted homophobia in Africa fuelled by religious and cultural traditions. But so far little energy is expended in understanding these controversies in all their complexity and the critical role religion plays in them. Complementing the companion volume, Public Religion and the Politics of Homosexuality in Africa, this book investigates Christian politics and discourses on homosexuality in sub-Saharan Africa. The contributors present case studies from various African countries, from Nigeria to South Africa and from

Cameroon to Uganda, focusing on Pentecostal, Catholic and mainline Protestant churches. They critically examine popular Christian theologies that perpetuate homophobia and discrimination, but they also discuss contestations of such discourses and emerging alternative Christian perspectives that contribute to the recognition of sexual diversity, social justice and human rights in contemporary Africa.

### **Workers in Training Manual**

- Enoch Adeboye 2016-08-04  
Commitment to the Almighty God is the highest priority for the Christian and it cannot be taken lightly because of its eternal implications. There should be assurance of salvation that is Bible based, which lasts forever. There is a need for an extra spiritual effort on the souls saved to get them established, localised in a church fellowship and mobilised until they too become soul winners. It is not enough for the believer in Christ to go forth and bear fruits in obedience to the

Lord's command but must also ensure that the fruits abide. This is why the Workers-in-Training programme is packaged to equip believers for service unto God and the edification of the body of Christ. Our prayer is that at the end of these teachings, you would have become a true Christian, on fire for God and ready to take up mountains. God bless you as you get empowered for the work of ministry, in Jesus name. Amen

Keeping that in mind, Pastor's Handbook adds helpful entries on such issues as "The Seeker Friendly Church," "Solving Worship Wars," "Multiple Campuses," "New Media," and "Home Groups" as well as "Internet Pornography," "Biblical Inerrancy," "The High Cost of Overnight Change," "Homosexuality," "Christianity and Islam," and more than a dozen other timely topics. **Transnational Religious Spaces** - Philip Clart

2020-07-06

This volume, bringing together work by scholars from Europe, East Asia, North America, and West Africa, investigates transnational religious spaces in a comparative manner by juxtaposing East Asian and African examples. It highlights flows of ideas, actors, and organizations out of, into, or within a given continental

space. These flows are patterned mainly by colonialism or migration. The book also examines cases where the transnational space in question encompasses both East Asia and Africa, notably in the development of Japanese new religions in Africa. Most of the studies are located in the present; a few go back to the late nineteenth century. The volume is rounded off by Thomas Tweed's systematic reflections on categories for the study of transnationalism; his chapter "Flows and Dams" critically weighs the metaphorical language we use to think, speak, and write about transnational religious spaces.

**Our Daily Manna** - Bishop Chris Kwakpovwe 2017-03-12  
March 2017 Day 2 DODGE THE PROCESS! MISS THE PRODUCT! BASIC SCRIPTURE: HABAKKUK 2: 1-4

for example, are the consequences of impatience. The year 2017 is still young! Prayers are being prayed. Planning is going on. There is excitement in the spirit world because the word "EVIDENCE" is being announced worldwide over divine megaphones. But you must realize that there is always a time lag between the day you plant pineapple or apple seed and when you actually harvest the fruit from the full-grown tree. Every divine purpose delivers in stages and there is a time for every purpose on this earth including your own. Don't cage or hinder your destiny by seeking for shortcuts. If you dodge the process - patience, you will miss the product. Habakkuk 2:3 declares: "for the vision is yet for an appointed time; but at the end, it shall speak and not lie. Though it tarry (as the year progresses), wait for it; because it will surely come, it will not tarry." God is bigger than our biggest plans. He is working on your behalf. You need patience to obtain this

year. Don't compare yourself with others or look around negatively. God's calendar for you is not the same with your next-door neighbour. Patience mixed with praise and worship will shield you from avoidable mistakes. Meditate also, on Micah 7:7! Your year will end in peace and glory and there shall be EVIDENCE that you serve a living God. The fullness of any vision speaks only at the end. Wait! You will never end up in shame! Amen! PRAYER POINTS: Take Song 2: Standing on the ...1. In your own words, pray about today's word as led.2. Make a commitment on your knees that you will not panic or hurry or dwell in self - comparison with others.3. Use the Gems For Success page before bedtime today

PRAYER AND FASTING.

Matthew 17:21 (KJV). Some  
mountains will not fall unless  
they are bombarded with the  
artillery of prayer and fasting.  
The weapon of prayer and  
fasting have been known to do  
wonders when other methods

breakthroughs are impossible

consistent, concerted, constant  
bombardment of prayers. The  
prayer points for this year's
