#### **The Russian Billionaire** - Georgia Le Carre 2021-05-12

Raine. I was working two jobs, mom was working three, and we still couldn't make ends meet. No matter how hard we tried we just couldn't catch up with my sister's medical bills. Right before my eyes, my mother was becoming a shadow of herself. And now Madison needed another costly medical intervention. Every time I'd read about the Wall Street fat cats, bankers, and billionaires getting richer and richer with government bailouts while half our wages went on taxes, it made me more and more resentful and bitter about the system we lived in. So... when I was offered a lot of money to take (okay, steal) something from a Russian billionaire, who had originally stolen it from another Russian billionaire anyway, I said yes. The woman who offered me the deal made it sound easy. Her exact words were, "an in and out job." But it wasn't an in and out job. Not by a long shot. To my astonishment, I had foolishly wandered into the glamorous and dangerous world of the insanely rich. I had walked into Konstantin Tsarnov's life, a secretive, unforgiving, and sinfully handsome beast. A Standalone Full Length Romance.

His Dirty Bargain - Fiona Murphy 2019-10-19

Three billionaire brothers: Cesare, Enzo, and Dante Sabatini have everything except the one thing money can't buy. Three big beautiful women Alicia, Bethany, and Chloe will teach them the ABCs of love. Follow these couples as they negotiate the riskiest deal of all, falling in love. My biological clock has been pounding, any minute now I'm going to hit buy on the sperm that's been sitting in my online cart for the last six months... any minute. I want to be a single mom. The last five years without a man have been the best years of my life. Except, I do want kids, six if I had my way. But if I'm doing it alone I can't really afford more than one. At least what I need I can get off a website. I had no idea men had biological clocks too, Enzo Sabatini proved otherwise. The control-freak billionaire married a gold-digging womb to get the children he wanted, and not surprisingly it blew up in his face. With the ink barely dry on his divorce that lasted longer than his marriage, I'm tasked with finding him a new place to live. I can't believe it's really heat I see in his eyes when he looks at me. I'm nothing like his usual women, plus size compared to size zero Shock is an understatement when I see the ring. I

can barely process his insane proposal of me getting the dream house and the multifamily property I want in exchange for at least ten years and two kids. Wait, what? What kind of effing proposal is that? It's not a marriage proposal it's a bargain, one with limits and terms and signed off by lawyers. I don't care how hot he is he's lost his mind. So why do I say, not yet instead of no? Is this going to be the biggest mistake of my life, or is there any way we can find a happy ever after from this dirty bargain? This is the third book in a standalone series. You need not have read the previous books to enjoy this one.

[The Virgins Double Tycoons](#) - Harper West

These Greek gods are close enough to touch... Alexandra I hate weddings. Actually—I love them, but I hate this wedding. Why? Because I'm sitting here watching the man I once adored, marry someone else. And to top it off, it's the Bahamas wedding I'd always dreamed of having. So yeah ... now I hate weddings. I want nothing more than to ditch the ceremony, high-tail it to the beach, and slam down a few Piña

coladas—but I can't—because I'm always the bigger person. The responsible person. Hence why I'm still a virgin. I'm anticipating the worst day of my life—until I run into them. Dark, tall, and thoroughly Greek; and they're eyeing me in ways that make my thighs ache. I shouldn't get involved, they're my ex's groomsmen after all; but I'm tired of doing the right thing. I want to be irresponsible. To give in to my base desires and just be free. No harm. No foul. After all, it's just a vacation hookup, right? Markos/Adonis We're gods. Well, not technically... but that's what women say when we bed them. So when we're chosen to be groomsmen for a pal's destination wedding, we're totally down. After all, they'll be plenty of single beauties looking to get wet and wild with a handsome stranger—or two. And we definitely intend on being those strangers. The plan is to have as many women as we can, until we spot her. Now, she's the only thing we want. A luscious, innocent beauty, with chocolate eyes and long, dark locks. The kind perfect for running your hands through as she's screaming your name. Which is exactly what we end up doing; making her cry our names in absolute ecstasy night after night. She's quickly becoming the drug we can't get enough of, and as this vacation is coming to an end, we're not sure we're ready for detox. The Virgins Double Tycoons is a dangerously-hot, standalone MFM Billionaire Menage Romance from your new favorite author Harper West. If getting hot, wet, and sweaty with two Greek Alphas in the tropics sounds like a good time, this book is for you! Guaranteed HEA & No Cheating.
