Lemon-Aid New Cars and Trucks 2013 - Phil Edmonston 2012-12-01

Canada's automotive "Dr. Phil" says there's never been a better time to buy a new car or truck. For deals on wheels, 2013 will be a "perfect storm." There's never been a better time to buy a new car or truck, thanks to a stronger Canadian dollar, a worldwide recession driving prices downward, and a more competitive Japanese auto industry that's still reeling from a series of natural disasters. In addition to lower prices and more choices, 2013

car buyers will see more generous cash rebates, low financing rates, bargain leases, and free auto maintenance programs. Buy, sell, or hold? Which cars and trucks are "wallet-friendly" and can easily last 15 years? Which vehicles offer the most features to best accommodate senior drivers? Do ethanol and hybrid fuel-saving claims have more in common with Harry Potter than the Society of Automotive Engineers? Is GM's 2013 Volt electric car destined to become an electric Edsel? These questions and more are answered in this informative guide.

*Ripping the Veil* - Jan Smolders 2013-05-14

In a room of a posh hotel in Punta Cana, the jewel of the Dominican Republic, Dr. Silvia Herrera takes a stand against ruthless, Mafia-style extortion and violence. Moments earlier, she'd discovered another victim of the brutal syndicate she works for. It's the third case she's encountered in two weeks, and she knows that she must draw a line in the sand. Just days ago, one of her acquaintances was murdered for not paying the protection money the mob demanded. She knows that her bosses are a cruel gang of criminals in the Caribbean, exploiting AIDS patients. Despite the feeble protection of laws designed to stop just this sort of abuse, the people she works for assume themselves to be above those laws. Silvia decides to take a stand against corruption, against violence, against the hopelessness these men spread like a virus among the island's weakest residents. But first, she needs to know who these crime lords are. She and two friends embark on a wild and dangerous hunt for the criminals. It leads her and her friends through hidden corners of Santo Domingo and through jungles, cities, remote towns, and mysterious churches and convents in Venezuela. Can Silvia uncover the truth before her dangerous enemies bury her?

**2012-2013** - Phil Edmonston 2012-05-19

Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car-and-truck books on the market. U.S. automakers are suddenly awash in profits, and South Koreans and Europeans have gained market shares, while Honda, Nissan, and Toyota have curtailed production following the 2011 tsunami in Japan. Shortages of Japanese new cars and supplier disruptions will likely push used car prices through the roof well into 2012, so what should a savvy buyer do? The all-

new Lemon-Aid Used Cars and Trucks 2012-2013 has the answers, including: More vehicles rated, with some redesigned models that don't perform as well as previous iterations downrated. More roof crash-worthiness ratings along with an expanded cross-border shopping guide. A revised summary of safety- and performance-related defects that are likely to affect rated models. More helpful websites listed in the appendix as well as an updated list of the best and worst "beaters" on the market. More "secret" warranties taken from automaker internal service bulletins and memos than ever. [Focus On: 100 Most Popular Station Wagons](#) - Wikipedia contributors
