Farce of Nature Jessie Jones 2015-05-15 The non-stop hilarity of this Southern-fried farce highlights one day in the life of the Wilburn family of Mayhew, Arkansas. Meet D. Gene Wilburn, the owner and proprietor of the Reel 'Em Inn, the finest little fishing lodge in the Ozarks. Well, it used to be, but lately business is down, tourists are few, and the lone guest who's just checked in—an extremely jittery Carmine DeLuca from Chicago—is only there due to a location shift in the Witness Protection Program. Doesn't anybody just want to fish anymore? Certainly not D. Gene's frustrated wife, Wanelle, who's fed up with their lackluster romantic life. She's taken drastic steps to improve it through hypnotic suggestion and, for the life of him, D. Gene cannot understand why his pants keep falling down. D. Gene's feisty sister Maxie has her own problems, chief among them battling ageism to resume her career in law enforcement. She's determined to prove her worth by keeping Carmine DeLuca alive through the weekend—a task that's going to prove to be much harder than she bargained for since she keeps losing both her gun and the bullets. And she never anticipated the gangster Camine's been dodging for the last five years, Sonny Barbosa, is about to walk through the door, in hot pursuit of his sexy wife, Lola. Seems the headstong Lola has driven hundreds of miles to the lodge to follow her boytoy, D. Gene and Wanelle's son Ty. But Lola meets her match in Ty's seemingly innocent girlfriend, Jenna, whose patience has reached the breaking point after months of waiting for Ty to come home. In the deliciously funny romp that ensues, they all hide, lie, disguise themselves, cross-dress, and slam doors chasing one another, while trying to figure out the source of an increasingly awful stench. By then it's too late and the lodge is surrounded by vicious critters and hungry varmints that have followed the odor down from the hills. Yet by the delightfully chaotic climax of this one outrageous day, love blossoms, truths are revealed, and the lives of all—family, guests and gangsters alike—change in incredible and surprising ways. This side-splittingly funny Jones Hope Wooten comedy is guaranteed to win your audiences over—hook, line, and sinker!

Lindnord, captain of a Swedish adventure racing team, when he threw a scruffy but dignified mongrel a meatball one afternoon. When the team left the next day, the dog followed. Try as they might, they couldn't lose him—and soon Mikael realized that he didn't want to. Crossing rivers, battling illness and injury, and struggling through some of the toughest terrain on the planet, the team and the dog walked together toward the finish line, where Mikael decided he would save the dog, now named Arthur, and bring him back to his family in Sweden, whatever it took. In compelling prose, illustrated with candid photographs, Arthur provides a testament to the amazing bond between dogs and people.

Doctor Who: Time Lord Victorious #1 Jody Houser 2020-09-02 In a twist of fate, the Tenth Doctor and the Thirteenth Doctor were brought together to face off against their deadly enemies. Unfortunately, the universe doesn't quite like the idea of a Time Lord meeting up with their past or future self - the consequences of such a paradox could cause a reality-altering shift that destroys the entire universe! Lucky for them it all worked out, until the Tenth Doctor was pulled into an impossible Time Vortex...

The Curious World of Seaweed Josie Iselin 2019 Marine algae are the supreme eco-engineers of life: they oxygenate the waters, create habitat for countless other organisms, and form the base of a food chain that keeps our planet unique in the universe as we know it. In this beautiful volume Josie Iselin explores both the artistic and the biological presence of sixteen seaweeds and kelps that live in the thin region where the Pacific Ocean converges with the North American continent--a place of incomparable richness. Each species receives a detailed description of its structure, ecological importance, and humans' scientific inquiry into it, told in scientifically illuminating yet deeply reverent and inspired prose. Throughout the writings are historical botanical illustrations and Iselin's signature, Marimekko-like portraits of each specimen that reveal their vibrant colors--whether rosy, "olivaceous," or grass-green--and whimsical shapes. Iselin posits that we can learn not only about the seaweeds but also from them: their resilience, their resourcefulness, their poetry and magic.

Trickster Makes This World Lewis Hyde 2010-08-17 In *Trickster Makes This World*, Lewis Hyde brings to life the playful and disruptive side of human imagination as it is embodied in trickster mythology. He first visits the old stories--Hermes in Greece, Eshu in West Africa, Krishna in India, Coyote in North America, among others--and then holds them up against the lives and work of more recent creators: Picasso, Duchamp, Ginsberg, John Cage, and Frederick Douglass. Twelve years after its first publication, *Trickster Makes This World*--authoritative in its scholarship, loose-limbed in its style--has taken its place among the great works of modern cultural criticism. This new edition includes an introduction by Michael Chabon.

Twelve Years a Slave Solomon Northup 2021-01-01 "Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State--and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years--it has been suggested that an account of my life and fortunes would not be uninteresting to the public." --an excerpt

Why the Best Are the Best Kevin Eastman 2018-08-10 Over his forty years in the game of basketball at the collegiate and professional levels, Kevin Eastman has become widely known as one of the very best teachers in the game. He is also a lifelong student of the coaches and players at the highest levels. As a coach of the 2008 NBA Champion Boston Celtics, Kevin has lived in the world of the best while observing and studying them every day. He studies what makes the best the best--their habits, mindsets, strategies and every day choices. Known as a thought leader in the basketball and sports worlds, Kevin is now an engaging speaker who inspires a wide range of audiences, from college and professional sports teams, to diverse corporate and government groups. Kevin's curiosity and dedication to learning provide the backdrop for delivering powerful talks on leadership, culture, teamwork, and why the best are the best.

Noises Off Michael Frayn 2021-01-14 "As finely worked as a Swiss watch and as funny as the human condition permits...the zigzag brilliance of the text as the clunky lines of the farce--within-a-farce rub against the sharp dialogue of reality" Guardian A play--within-a-play following a touring theatre company who are rehearsing and performing a comedy called *Nothing On*, results in a riotous double-bill of comedic craft and dramatic skill. Hurling along at breakneck speed it shows the backstage antics as they stumble through the dress-rehearsal at Weston-super-Mare, then on to a disastrous matinee at Ashton-under-Lyne, followed by a total meltdown in Stockton-on-Tees. Michael Frayn's irresistible, multi-award-winning backstage farce has been enjoyed by millions of people worldwide since it premiered in 1982 and has been hailed as one of the greatest British comedies ever written. Winner of both Olivier and Evening Standard Awards for Best Comedy. This edition features a new introduction by Michael Blakemore.

Parenting Right From the Start Vanessa Lapointe 2019-10-08 In this book, her follow-up to the bestseller *Discipline Without Damage*, Dr. Lapointe advises new parents how to put their child on a path to optimal development during the crucial early years. The baby and toddler years are the most important period for any child's emotional and psychological development. Parents naturally want to do what's best for their kids, but they often struggle to know what that is, especially when dealing with the big "battlegrounds" of sleep, feeding, and managing aggression. The latest scientific

research indicates that it is through a strong and stable sense of connection to their parents that children learn how to regulate their emotions, master social skills, and develop a sense of identity. Unfortunately, many of the currently accepted parenting practices and traditional attitudes disrupt healthy connection rather than foster it, leading to behavioral issues and emotional problems that can last into adulthood. Dr. Lapointe helps parents to understand how mindful and conscious parenting can help them to avoid passing unhealthy patterns down from one generation to the next. Rooted in compassion and understanding, Parenting Right From the Start shows parents how to build a firm, caring presence in the early years that a child can lean into for a lifetime.

Be Kind, Be Calm, Be Safe Dr. Bonnie Henry 2021-03-09 From the BC doctor who has become a household name for leading the response to the pandemic, a personal account of the first weeks of COVID, for readers of Sam Nutt's Damned Nations and James Maskayk's Life on the Ground Floor. Dr. Bonnie Henry has been called "one of the most effective public health figures in the world" by The New York Times. She has been called "a calming voice in a sea of coronavirus madness," and "our hero" in national newspapers. But in the waning days of 2019, when the first rumours of a strange respiratory ailment in Wuhan, China began to trickle into her office in British Columbia, these accolades lay in a barely imaginable future. Only weeks later, the whole world would look back on the previous year with the kind of nostalgia usually reserved for the distant past. With a staggering suddenness, our livelihoods, our closest relationships, our habits and our homes had all been transformed. In a moment when half-truths threatened to drown out the truth, when recklessness all too often exposed those around us to very real danger, and when it was difficult to tell paranoia from healthy respect for an invisible threat, Dr. Henry's transparency, humility, and humanity became a beacon for millions of Canadians. And her trademark enjoinder to be kind, be calm, and be safe became words for us all to live by. Coincidentally, Dr. Henry's sister, Lynn, arrived in BC for a long-planned visit on March 12, just as the virus revealed itself as a pandemic. For the four ensuing weeks, Lynn had rare insight into the whirlwind of Bonnie's daily life, with its moments of agony and gravity as well as its occasional episodes of levity and grace. Both a global story and a family story, *Be Kind, Be Calm, Be Safe* combines Lynn's observations and knowledge of Bonnie's personal and professional background with Bonnie's recollections of how and why decisions were made, to tell in a vivid way the dramatic tale of the four weeks that changed all our lives. *Be Kind, Be Calm, Be Safe* is about communication, leadership, and public trust; about the balance between politics and policy; and, at heart, about what and who we value, as individuals and a society. The authors' advance from the publisher has been donated to charities with a focus on alleviating communities hit particularly hard by the pandemic: True North Aid with its Covid-19 response in Northern Indigenous communities, and First Book Canada, with its focus on reading and literacy for underserved, marginalized youth.

Gifts of the Crysni Lisa G. Shore 2015-10-05 What if a simple wish had the power to change your life? Beautiful creatures from a parallel universe watch over the humans in a small seaside town. A breathtaking new world so perfect, so enchanting that we want to believe unfolds as we witness the journey of new friends, who lead us toward our own personal triumphs. They have harnessed the power to bend time and grant wishes. Elixir will do just fine, Marsuveus said with conviction. He doesn't know it yet but he has tremendous power behind him. He is fulfilling his destiny. At that moment, the storm hit full force, and the animals and Crysni cowered for cover. The hurricane whipped and tore at Galvin Cove and shredded the young trees of Castle Forest. It seemed it was only a matter of time before the Dark Prince Onyx would win. The king flew above them all on the back of Marsuveus and shouted to the expectant faces below. Take heart! Remember our strategy! Fight the fear! Fight the fear! All it takes is the will to believe.
