Dancing at the Fountain: In Conversation with World-leading Hoteliers Conor Kenny 2016 Dancing at the Fountain: In Conversation with World-leading Hoteliers is a unique book of conversations and interviews by Conor Kenny, a leading hotel and hospitality learning and development expert. The hoteliers interviewed in the book include: Kieran MacDonald, The Savoy Hotel, London; Philippe Leboeuf, Mandarin Oriental, Paris; Nathalie Seiler-Hayez, The Connaught Hotel, London; Michael Davern, The K Club, Ireland; Bernard Murphy, Gleneagles, Scotland; Greg Liddell, The Mandarin Oriental, Barcelona; Luc Delafosse, Hôtel de Crillon, Paris. Between them, these seven hoteliers have run some of the world's most iconic and well-known hotels: Āman Resorts; Carlyle Hotel, New York; Claridge's, London; Connaught Hotel, London; Fairmont Scottsdale Princess, Arizona; Fairmont Waterfront, Vancouver; Fancourt, South Africa; Gleneagles Hotel, Scotland; Hotel Burj Al Arab,

Dubai; Hôtel de Crillon, Paris; Hôtel du Louvre, Paris; Hôtel Lutetia, Paris; Landmark Mandarin Oriental, Hong Kong; Mandarin Oriental, Barcelona; Mandarin Oriental, Paris; Sandy Lane, Barbados; The K Club, Kildare; The Ritz Hotel, London; The Savoy Hotel, London; and Waldorf Astoria, Beverly Hills. Their stories are unique, sometimes emotional, always deeply personal and absolutely absorbing: greeting the great and the good, from presidents and heads of state to pop celebrities; quelling rioters by serving them breakfast; hosting the Ryder Cup golf tournament; dealing with bomb threats and possible evacuation of an entire hotel the morning Nelson Mandela is due to arrive; managing egos; opening new hotels and reviving the old, while still keeping the spirit that made them great. While all of the interviewees share the distinction of managing the best hotels in the world, their career paths are as individual as their stories. Unsurprisingly, hard work features in the hoteliers' meteoric career rises as does a focus on service, attention to detail and a love of people, guests and staff alike. Their insight on the future of luxury hotels also makes compelling reading from a rarely-heard source. The book will make fascinating reading for anyone interested in a glimpse behind-the-scenes of the very best hotels in the world. It will be especially valuable for today's hotel managers as well as upcoming hoteliers who want to understand how the best hotels are run and what took these seven people to the very top of their industry. The book provides a unique perspective on the world of luxury and caring for the rich and the famous through the eyes of those who run some of the world's iconic hotels.

Typhoid Mary Anthony Bourdain 2010-10-17 From the host of Anthony Bourdain: Parts Unknown and bestselling author of Kitchen Confidential comes the true, thrilling story of Mary Mallon, otherwise known as the infamous Typhoid Mary. This is a tale of pursuit through the kitchens of New York City at the turn of the century. By the late nineteenth century, it seemed that New York City had put an end to the outbreaks of typhoid fever that had so frequently decimated the city's population. That is until 1904, when the disease broke out in a household in Oyster Bay, Long Island. Authorities suspected the family cook, Mary Mallon, of being a carrier. But before she could be tested, the woman, soon to be known as Typhoid Mary, had disappeared. Over the course of the next three years, Mary worked at several residences, spreading her pestilence as she went. In 1907, she was traced to a home on Park Avenue, and taken into custody. Institutionalized at Riverside Hospital for three years, she was released only when she promised never to work as a cook again. She promptly disappeared. For the next five years Mary worked in homes and institutions in and around New York, often under assumed names. In February 1915, a devastating outbreak of typhoid at the Sloane Hospital for Women was traced to her. She was finally apprehended and reinstitutionalized at Riverside Hospital, where she would remain for the rest of her life. Typhoid Mary is the story of her infamous life. Anthony Bourdain reveals the seedier side of the early 1900s, and writes with his renowned panache about life in the kitchen, uncovering the horrifying conditions that allowed the deadly spread of typhoid over a decade. Typhoid Mary is a true feast for history lovers and Bourdain lovers alike.

Fans Larry Olmsted 2021-03-02 "Olmsted opens a window into a psychologically compelling world of passion and purpose." —Harvey Araton, author of *Our Last Season: A Writer, a Fan, a Friendship* Larry Olmsted's writing and research have been called "eye-opening" (People), "impressive" (Publishers Weekly, starred review), and "enlightening" (Kirkus Reviews). Now, the New York Times and Washington Post bestselling author turns his expertise to a subject that has never been fully explored, delivering a highly entertaining game changer that uses brand-new research to show us why being a sports fan is good for us individually and is a force for positive change in society. Fans is a passionate reminder of how games, teams, and the communities dedicated to them are vital to our lives. Citing fascinating new studies on sports fandom, Larry Olmsted makes the case that the more you identify with a sports team, the better your social, psychological, and physical health is; the more meaningful your relationships are; and the more connected and happier you are. Fans maintain better cognitive processing as their gray matter ages; they have better language skills; and college students who follow sports have higher GPAs, better graduation rates, and higher incomes after graduating. And there's more: On a societal level, sports help us heal after tragedies, providing community and hope when we need it most. Fans is the perfect gift for anyone who loves sports or anyone who loves someone who loves sports.

Reggie Nadelson 2010-08-30 As New York basks in a fine Indian summer, no one notices the feral teenagers in Central Park, or the homeless living by the river. Certainly no-one connects them to the Russian gangsters buying into respectability on the East Side, or to the dead Englishman in the swimming pool... Thomas Pascoe, a super-rich, elderly investment banker, is found gorily murdered on the day he was due to return to London, floating in the pool of the most exclusive apartment block in town. As head of the 'co-op' for the luxury apartments, where the residents own the shares, Pascoe had his say in who got to live in them, and who didn't. Could this be a motive for his murder? The investigation takes Artie Cohen to London, where the gripping plot unfolds with a series of murders, an encounter with his longtime girlfriend, and a meeting with a figure from the past. The momentum of apparently tangential events builds to a trademark thrilling conclusion.
